Dear Parent/Guardian,

The Communicable Diseases Agency (CDA), in collaboration with the Ministry of Education (MOE), conducts a programme titled Empowered Teens (eTeens) to educate all Junior Colleges/Millennia Institute (JCs/MI) Year 1/IP Year 5 students about preventing STI (Sexually Transmitted Infections)/HIV (Human Immunodeficiency Virus). The programme which was previously managed by the Health Promotion Board (HPB), provides information on transmission and prevention of STIs/HIV and helps guide students to make good life choices to avoid risky sexual behaviors.

2. The following topics are taught:

- a) Sexually transmitted infectious diseases (STIs and HIV): what it is, how it spreads, how to prevent infection mainly through ABC (abstinence, being faithful, correct, and consistent condom use), consequences and impact
- b) Skills for respecting boundaries, (e.g. decision-making, assertiveness, negotiation to say 'no' to peer pressure)
- c) Managing relationships and risky situations in a healthy way, including avenues for help-seeking

3. The programme includes a presentation on a scenario involving teenagers, responsible decision-making to respect the boundaries of self and others and interview segments.

4. Additional information is available on the MOE website
<https://go.gov.sg/moe-sexuality-education>
