

APPLICATION FOR THE ACS (INDEPENDENT) INTEGRATED PROGRAMME (Years 3 – 6)

Introduction

Applications are open for admission into the ACS (Independent) Integrated Programme for Year 3 (2022).

Course of study in ACS (Independent)

For intake into the 4-year ACS (Independent) IP, students will be selected based on the following:

1. Academic results in Year 1 and Year 2 overall year-end results
2. Results of a Higher Ability Selection Test (HAST) that will evaluate abstract reasoning, mathematics reasoning and reading comprehension abilities for all ACS(Independent) students and students from other Schools
3. Student's personal portfolio on special academic awards and achievements, co-curricular and performing arts activities, leadership and community involvement programme, special talents and project work
4. Subject Teacher's and PCT's evaluations
5. Interview
